

Central State Hospital

Excellence in Evaluation, Treatment, Protection & Disposition

Vocational Rehab. Supervisor Counselor II

Central State Hospital's Rehab Department is looking for a self-starter who possesses the abilities to manage and implement a Vocational Rehabilitation Treatment Program including work programs, prevocational programs, and job training for adult mentally ill clients.

The successful candidate must have experience and working knowledge of Federal and State guidelines for sheltered workshops and work programs, and have extensive knowledge and experience in the development and the implementation of treatment programs for clients with mental illness. In addition, the candidate must have skills in management and staff supervision. Knowledge and skills to secure, negotiate, and maintain work contracts including conducting time studies and cost analysis. Excellent verbal, written and problem solving skills are needed in order to complete the daily operations as well as interfacing with treatment teams, clients, staff and customers. A degree in Vocational Rehabilitation or a related field and experience in the healthcare field are strongly preferred.

An extensive criminal history background investigation, drug testing, and employment references will be conducted. Position #00278. Pay Band 4 (\$28,987 - \$59,492). This position will remain open for a minimum of five workdays or until positions are filled. Resumes may accompany but will not substitute for a completed State Application Form (DHRM 10-012). If you have any questions about the position you can contact Bonnie Nofsker, Director of Rehab Services at 804-524-7630.
